

## Indian Institute of Geomagnetism

### Data Requisition Slip for Users

- 
1. Name of the user :
  2. Designation :
  3. Affiliation :
  4. Period of data From : To:
  5. Data Type :  
(*Geomagnetic, Radio (passive & active), Airglow, GPS, MT, LMT, Gravity-Magnetics and Seismology*)
  6. Station(s) and Resolution (high/low):  
(*Whatever applicable*)
  7. Brief write-up on proposed investigation:

---

**Note:** Data requests from Ph.D. Students/JRF/RA/Post-docs must be forwarded through their research supervisors.

(PTO for undertaking)

## Undertaking

1. I understand the sensitive nature of the data sharing facilitated by the Indian Institute of Geomagnetism, which is responsible for generating the data and archiving them in the institute's repository.
2. The primary areas of research or problems of current interest for which these data sets will be utilized are:
  - a)
  
  - b)

A brief proposal on the research activities to be pursued with these data sets is attached herewith. I understand this will aid problems of similar kind are undertaken jointly in a collaborative manner. (STRIKE IF THIS IS NOT APPLICABLE)

3. I and my group will explore the avenues by which we can have collaboration with the group responsible for the generation of these data sets. Between us, there are common areas of research activity and those will be the topics for collaboration and joint publications of results.
4. I herewith assure that the acquired data will not be shared with any group or person inside or outside the institute without the explicit written permission of the Director, IIG. I will not hold the data any longer in case I happen to leave the institute or on account of superannuation/resignation/retirement or for any reason.
5. The data obtained by me will not be used for any commercial purposes.
